Rio Grande Institute’s
Professional Development Series

Epidemiology for the non-epidemiologist, Part 1

This is the first in a series of stand-alone sessions on epidemiology for those who are interested in population health research, practice and policy but who have little or no formal training in study design and methods. This session will focus on the basics of determining the relationship between a risk or protective factor and a health outcome.

Presenter: Theresa Cruz, PhD, Research Assistant Professor
UNM Department of Pediatrics, Division of Prevention and Population Sciences

When: Tuesday, May 17, 2011
Time: 12:00 p.m. to 1:00 p.m.
Where: Research Incubator Building (RIB) Commons
UNM Campus, 2703 Frontier NE, Albuquerque, NM 87131

For more information please contact Theresa Cruz at 505-272-4462 or by email at ThCruz@salud.unm.edu

This presentation is sponsored by the New Mexico Prevention Research Center – funded by CDC Prevention Research Office 5U48DP001931-02.
