Rio Grande Institute's *Professional Development Series*

Epidemiology for the non-epidemiologist, Part 2

This is the second in a series of stand-alone sessions on epidemiology for those who are interested in population health research, practice and policy but who have little or no formal training in study design and methods. This session will focus on how effects are measured and the ways bias can be introduced into studies.

Presenter: Theresa Cruz, PhD, Research Assistant Professor
UNM Department of Pediatrics, Division of Prevention and
Population Sciences

When: Tuesday, July 19, 2011

Time: 12:00 to 1:00 pm (feel free to bring your lunch)

Where: Research Incubator Building (RIB) Commons
UNM Campus, 2703 Frontier NE, Albuquerque, NM 87131

For more information please contact Theresa Cruz at 505-272-4462 or by email at ThCruz@salud.unm.edu

This presentation is sponsored by the New Mexico Prevention Research Center –
funded by CDC Prevention Research Office 5U48DP001931-02.
