

The University of New Mexico  
*Prevention Research Center*

# Community Based Prevention Research *Professional Development Series*

## **NVivo Webinar: *Using NVivo as a Research Tool***

**When:** Tuesday, March 19<sup>th</sup>, 2013

**Time:** 12:00 noon to 1:00 pm  
(feel free to bring your lunch)

**Where:** Research Incubator Building (RIB) Commons  
UNM Campus, 2703 Frontier NE, Albuquerque, NM 87131

Using real data from a Duke University study, this webinar will provide an overview of the key features of NVivo software:

- How NVivo supports qualitative and mixed methods research
- Using NVivo for writing robust literature reviews
- NVivo for grant writing and research proposal development, data management and analysis, and manuscript preparation
- How NVivo provides a platform to collaborate with colleagues or your research team in real time

The webinar is planned as an interactive session; comments and questions are welcomed. You may join us in the RIB Commons, or use the following link to register to watch at your own computer:
