# Community Based Prevention Research Research Series Presentation

## ***A Posteriori* Dietary Patterns Analysis: An overview and application in public health research**

**Presenter:** Alexandra B. Morshed, MS

**Date:** Tuesday, April 22<sup>th</sup>, 2014

**Time:** 12:00 to 1:00 pm

**Place:** Research Incubator Building  
(RIB) Commons  
UNM Campus, 2703 Frontier NE  
Albuquerque, NM 87131

*This presentation will provide an overview of existing methods to derive dietary patterns from population data. We will then together explore the potential use, benefits and limitations of these methods in public health research.*

*For more information please contact Sally Davis at 505-272-4462 or by email at [SDavis@salud.unm.edu](mailto:SDavis@salud.unm.edu)*

This presentation is sponsored by the New Mexico Prevention Research Center –  
funded by CDC Prevention Research Office 5U48DP001931-05.
