Practical Approaches to Characterizing Health Disparities in Your Community: Workshop & Panel

How do you measure health disparities in your community? Join us for an interactive panel and workshop to demonstrate the tools, process, and challenges of defining and characterizing a community using publicly available data. There will be maps, community members, and an opportunity to share and discuss policy-influencing data applications. Laptops or tablets strongly encouraged.

Presenter: Andrea Cantarero, Associate Scientist

Date: Tuesday, May 12, 2015

Time: 12:00 noon to 1:00 pm

Place: Research Incubator Building (RIB) Commons
UNM Campus, 2703 Frontier NE
Albuquerque, NM 87131
