

Watermelon Frappé (Slush)

Ingredients:

- 4 cups seedless watermelon pieces
- mint leaves (optional)

Directions:

- 1 Place several pieces of chilled watermelon into blender. Blend at medium speed until smooth.
- 2 Gradually add more pieces of watermelon.
- 3 Add mint (optional) and blend.
- 4 Strain watermelon mixture and pour into glasses.

Watermelon Frappé (Slush) continued

Tips:

Ensure that there are *no* seeds to prevent a choking incident with young children.
