

Pear Applesauce

Ingredients:

- 4 apples, peeled, cored, and cut into small pieces
- 4 pears, peeled, cored, and cut into small pieces
- cinnamon to taste

Directions:

- 1 Cover fruit pieces completely with water and cook over medium heat.
- 2 Cook until all fruit is soft, about 20–30 minutes.
- 3 Drain off excess water and let cool.
- 4 Pour fruit into a blender and blend until smooth.
- 5 Serve with a sprinkle of cinnamon

Tips:

Cut fruit into small pieces and blend well to ensure that a young child will not choke on a large chunk of fruit.

Let fruit cool completely before serving.
